RAVENOL Kaltreiniger is an effective solvent-based, aromatic-free technical cold cleaner.

RAVENOL Kaltreiniger is used for heavily soiled engines and machine parts.

RAVENOL Kaltreiniger removes oil, degreases, cleans and protects.

RAVENOL Kaltreiniger quickly and easily removes soil, dirt, oil and grease residue from engine parts, machine tools, floors and tiles.

RAVENOL Kaltreiniger is a quick-release cleaner, free of AOX.

Application Note

Application using petrol separator:

Spray or brush **RAVENOL Kaltreiniger** onto the soiled parts or dip them into it, if necessary, carry out mechanical cleaning with brush, etc.

Allow to take effect for a short period of time, and then remove oil and greasy deposits by rinsing with water.

Characteristics

- Quick and easy cleaning and degreasing
- Removal of oil and grease residues
- Quick separating cleaner
- AOX-free
- No interference with oil separators
- Free of aromatics
